A rich background and a unique experience as head of the General Directorate of Education within the Ministry of Education and Research, Secretary of State at MEC, Advisor to the President of the Republic of Moldova in the field of education and research.

Communication: ***The factors that determine the quality of adult learning education***

PhD Professor Lucian CIOLAN, University of Bucharest, Romania

Lucian Ciolan is professor of Educational Policy and Research at the Department of Educational Sciences, Faculty of Psychology and Educational Sciences (University of Bucharest).

In December 2019 he has joined the top management team of the University of Bucharest, as Vice-Rector with the portfolio on development projects, lifelong learning and educational infrastructure.

The main areas of interest are related (but not limited) to public/ educational policy process, applications of (neuro)cognitive sciences in public policies and learning.

Lucian's academic expertise is valued in various national agencies in the field of education and research: Member of the Board of National Quality Assurance Agency in Higher Education (ARACIS), vice-president of the Panel for Social Sciences at National Council for Higher Education Academic Titles, Diplomas and Certificates (CNATDCU), member of the Social Sciences Commission of National Council for Scientific Research (CNCS). Internationally, Lucian represents Romania in the Council of the European Educational Research Association (EERA), where he was recently elected as Secretary General. He is also member in the General Assembly of IEA – International Association for the Evaluation of Educational Achievement.

Complementary to his academic activity, Lucian Ciolan has participated and participates in extensive development and consulting projects, especially in areas related to public policy formulation, in various countries of the world: Serbia, Moldova, Germany, Portugal, Poland, Lebanon, Kazakhstan, etc.

Professor Lucian Ciolan is a Senior Trainer at the International Center for Policy Advocacy, a non-governmental organization based in Berlin, focused on increasing the capacity to develop and influence public policies.

Communication: ***Innovative pedagogies in higher education. Structural and digital transformations for lifelong learning***

Corresponding Member PhD Professor Wilhelm DANCĂ, Romanian Academy, Bucharest, Romania

Primary studies in Buruienești, Neamţ county. High school studies in Roman and Iasi. Graduated from the Roman Catholic Theological Institute in Iasi in 1986. Ordained priest in 1986. In 1996 he obtained the title of Doctor of Philosophy, "summa cum laude", at the Pontifical Gregorian University, with a thesis on Definitio sacri. The sacred as "the significant" and "the destiny" is related to the historical-phenomenological method in Mircea Eliade's work.
From 1996 to 2011 he was a lecturer, lecturer and university professor at the Roman Catholic Theological Institutes in Iasi and Bucharest. Rector of the Roman Catholic Theological Institute "St. Iosif" from Iasi (2001-2011) and of the Roman Catholic Theological Institute from Bucharest (2012-2018). Since 2012, he is a professor of fundamental theology and dean of the Faculty of Roman Catholic Theology of the University of Bucharest. He is qualified in philosophy (2005) and theology (2016).
He led philosophical, theological and cultural institutions at the national and international level. He is a Corresponding Member of the Romanian Academy.
He carried out a rich publishing activity in the fields of philosophy, theology and religious studies, materialized in 12 author volumes, 7 author-coordinator books and over 200 articles and studies in Romanian and in foreign languages, published in the country and abroad.

Communication: ***Several Remarks on How to Build a Sustainable Peace Today***

PhD Theology Nicolae DASCĂLU, Romanian Patriarchate, România

PhD Professor Eva FARKAS, International Adult and Continuing Education Hall of Fame, Hungary

PhD Professor Eva FARKAS is a leading figure in the research and development of Hungarian Adult Education, Éva Farkas has contributed to the field of adult learning and education/ andragogy with an approach to higher education influencing quality, professionalization, and financing in adult learning and education.
Farkas challenged educational professionals and policy-makers to understand the golden triangle of financing, policy and law, and dependencies among formal, non-formal, and informal learning are connected to matters of the status, roles, and functions of adult educators. Her most influential work focuses on the recognition, validation, and accreditation of prior learning and the scenario of learning outcomes embedded into the structures of the Hungarian Qualifications Framework and its relation to the European Qualifications Framework.
She is a recognized expert in the field of Vocational Education and Training (VET), working with the European Centre for the Development of VET for many years to provide comparative studies in continuing VET and the development of second chance schooling for integrating vulnerable groups of adult learners into the quality development of initial and continuing VET for adult learners.
Farkas was working for many years at the University of Szeged, and now serves as Chair, Board of Directors, the International Adult and Continuing Education Hall of Fame.

PhD Professor Liliana ROMANIUC, Romanian Literacy Association, Romania

Professor Liliana Romaniuc defines herself as an educational grower and a learning designer. She has spent her life in schools since she started the kindergarten. She knows and understand the education system from many perspectives: as a teacher, a principal, as chief inspector, state advisor, advisor to the Minister of Education, school evaluator and trainer. She has set up two private schools and an NGO that develops and implements consistent training and learning programmes for teachers, principals and inspectors. She is also associate lecturer at „Al. I. Cuza" University in Iasi. She teaches educational and strategic management based on strong research evidence and the existing reality at the school level.
Prof. Liliana Romaniuc believes that she still has a lot to learn from every group of teachers and students she works with, from every teacher she discusses with and from every school where she implements training programmes. Prof. Romaniuc is interested in improving students' literacy skills to better learn. Developing school leadership for equity and learning is also part of her approach in the process of transforming schools in better and rigorous learning places for students. She is passionate about learning and believes in the fascinating potential of the human mind and brain to learn, unlearn and relearn.

Communication: ***Preparing our students for a more inclusive and sustainable world. Pisa global competence framework***

PhD Professor Lidia-Simona SAVA, West University of Timişoara, Romania

Simona Sava, Prof. Dr. habil., has been teaching at the West University of Timisoara since 1997 and in 2009 she became Full Professor. In 2003, she received her PhD from the University of Bucharest, in distance and online education and in 2015 she habilitated there in the field of lifelong learning policies. In addition to her academic achievements, she was director of the Romanian Institute of Adult Education (IREA) from 2000 to 2013 (till 2015, scientific director). Her main research topics are: professionalization from a lifelong learning perspective; teacher educators and teacher education, educational policy at national and international levels, educational management of schools as learning organizations, open to the community; (professional/) learning communities and learning cities. She is a member of national and international boards and expert groups for developing the educational system, such as the European Commission. She is a consultant for The Ministry of Education, The Ministry of Labour, DG Employment (acting, for instance, as country expert between 2016-2022), etc. She coordinates PhD studies in educational sciences at West University of Timisoara, and she is member of the scientific council of Doctoral school on educational sciences from University of Florence.
