

Dear Madam, Dear Sir,

The University of Antwerp (Belgium) is involved in the organization of a lot of international Sports- and Art-related events. All of these events are organized in cooperation with the [PCU Committee](#) (the university platform of Panathlon International, Fair Play organization recognized by the International Olympic Committee). The main objective is to offer students a platform where sport is considered as a valuable instrument to develop international interaction and experience, with emphasis on the International Olympic Committee recognized Panathlon values of **Fair Play and International Friendship**.

We would like to extend a formal invitation to your University to participate in (one of) these events, listed below.

- **PCU Games**
 - 11-13 November 2020
 - The PCU Games are a yearly tournament in Basketball, Futsal and Volleyball, normally organized in April in Antwerp (Belgium). Due to the Covid-19 pandemic, the 2020 PCU Games (on venue) - already postponed from April to October 2020 - were cancelled, but an online alternative has been provided: the [PCUGAMES@HOME](#).
- The event includes this year:
 - The **PCU Fair Play Initiative** survey. We hope you could take 2 minutes time to fill in this small [survey about Fair Play](#) on behalf of your University or University College. It has only a few short questions and would help us out greatly.
 - The awarding of the **Enrico Prandi Fair Play Trophy** - this year awarded for a Fair Play project or initiative at a University or University College to bring Fair Play to the attention of students. Candidates can register their project [through our website](#).
 - The **PCU Esports Games**. An Esports Tournament on Thursday 12 November (game: FIFA21). Info and registrations [on our website](#).
 - **Virtual Challenges**, with a Futsal, Basketball & Volleyball challenge. In all challenges the official PCU Games Champions 2020 will be crowned. The Challenges are posted [on our website](#), as well as on the PCU Committee's [Facebook](#) and [Instagram](#) pages.
- **PCU International University Tennis Tournament (PIUTT)**
 - 20-22 November 2020
 - The PIUTT is a yearly Tennis tournament, normally organized in October in Moscow (Russia). This year - due to Covid-19 - the event was first postponed and then cancelled and changed to an online alternative: the [PIUTT@HOME](#).
- The event includes:
 - The **PIUTT Fair Play Initiative** [survey](#) (analogous to the survey mentioned above)
 - **Virtual Tennis Challenges**. Analogous to the PCU Games Challenges mentioned above, three Tennis Challenges on the website. In all these challenges official PIUTT Champions 2020 will be crowned.
